★When is payment due?

★How many instructors will we have at Camp?

★What does our Program need to provide for Camp??

You provide the sound system, proper camp surfaces, and facility. We bring the rest to you! Our Royals at YOUR Camp option is the most affordable and convenient camp around! Your tuition covers the camp, instructors, their hotel, mileage (within NJ), meals, awards, and all that goes in to our outstanding camp programs!

★Does my team need to prepare for anything before Camp?

Yes or No. It is up to you. We do not do a home routine evaluation. However we do put together a short routine that includes 2 areas that most of the teams use for stunting and pyramids. If you have a stunt sequence you want to incorporate then that is fine. Our instructors will be happy to help clean up your stunt/pyramid or add more flash/creativity/difficulty to your sequences.

Some teams come with a stunt sequence and a pyramid sequence so they can focus on increasing their performance levels and confidence as a team performing in front of a group. Other teams come to camp and we help assign stunt groups. It all depends on what you are looking for from camp.

★How many teams can I fit in for Skills Camp?

It will depend on the size of your facility. We can fit up to 50 athletes on a full floor at a time. They will be broken into groups to work on the various parts of the routine.

We will send as many instructors as necessary to accommodate your program.

★Are we able to split Camp days with another Program in our area?

Yes. We have many high school and middle school squads, within the same community, who choose to correlate camp schedules or share camp dates. Our instructors are trained to provide separate curriculums for each squad. We are glad to work diligently to accommodate these types of special requests.

★Will you teach the same curriculum to other Schools/Programs in our area?

No way! If you provide us a list of the schools/programs you meet in your regular or post-season games or competitions, we will not duplicate any curriculum. This ensures you show up to your games with material that is completely unique to your squad! No longer are the days of performing the same cheers and dances as your competitors!

★ **Do you offer payment plans for Programs on a tight budget?**

We sure do. The staff at Cheer Champs Elite firmly believes that every squad should be privy to the ultimate private camp experience. Squads with tight budgets are no exception. We can space out payments in order to better accommodate your team's needs. Many squads will also work with a local hotel to provide lodging accommodations for our instructors, which can also result in an overall cost savings for your camp.

★ **What is the minimum number of athletes a program needs for Camp?**

Due to travel and lodging costs, instructor wages and liability coverage, we require a minimum camp cost of \$1,500 per program, which is still much lower than other organizations. We guarantee you won't be disappointed!

★ **Do Coaches receive a Free gift?**

Of course! We enjoy making the coach's experience just as enjoyable as the experience of our camp participants. Not only will the coach/advisor receive a complimentary gift, they will receive a copy of all camp curriculum, coaching tips, team building ideas and a CD of camp mixes for all dances (with extra music that can be utilized later in the season!).

★ **As the Coach, do I have to attend camp for the entire day?**

We do require an adult (21 years or older) to be present for the entire duration of camp. On occasion, a coach may need to leave. In this event, we do require a substitute coach or advisor to oversee all camp operations, in a supervisory role (in addition to our instructors).

★ **My Program is outside of New Jersey. Can we still host a Camp?**

Absolutely! Teams outside of New Jersey are responsible for paying instructor mileage at \$0.50 per mile, as well as the camp registration fee.

★ **Is Lunch provided?**

No. Please send ensure athletes bring their own lunch, bottled water and snack. Remember, what an athlete eats during a session day is integral to obtaining a great camp. All athletes should stay away from candy, soft drinks, and "energy drinks". A nice healthy dinner the night before is a great way to store carbs for a hard day's work. Water is the best form of hydration. Make sure their name is clearly marked on the packaging.

★ **What is Camp attire?**

Shorts; T-Shirt; Sneakers; Hair in Ponytail or Pulled Back and NO JEWELRY

★ **Do Cheerleaders need cash for anything?**

Yes, we have a superstore each summer. We will be selling bags, T-shirts, shorts, hats and more at camp.

★ **Do we need uniforms for Camp?**

It is up to you. Most teams bring a uniform for the final afternoon, but you are not required to do so. Some teams just wore another camp outfit that day, or they stayed in the outfit they had on that morning. It is entirely up to you!

★ **What is the Performance Royale show?**

On the final day of camp, we will host a grand finale of all that the athletes learned during camp and our overall awards ceremony. Parents are invited to attend and be prepared to be impressed!
