## General Policies

### Crossover Policies

*Cheer Champs allows cheer participants to perform for more than one team and/or additional performances within the same organization. Each participant must pay the FULL registration fee for the first performance. Second performances will be a discounted price. If a member of one organization crosses over to a new organization, (Example: School team to an All-Star team) then that participant **must pay the FULL registration fee for BOTH organizations.** Both organizations must contact Cheer Champs with what participant is a crossover from one organization to the other. Registration must indicate all crossover information and payment. Cheer Champs will do its best to allow time in between performances. However, Cheer Champs cannot guarantee separations between practice times, awards ceremonies or if a coach is responsible for multiple teams. Please make sure you have noted your crossovers on your Registration and Team Roster Forms. This information is crucial in planning the best day for your teams.*

*If for any reason you did not denote a crossover and have not notified us prior to the deadlines below, the applicable crossover fee per person, will apply and must be paid by you prior to performing. If a division or schedule change occurs because of that missed information, after the deadline, the Administrative Change Fee will also apply and must be paid by you prior to performing.*

*If we are informed of a crossover (or division) concern the day of the competition, the latest deadline Change Fee will need to be paid by you prior to making a change. We will do our very best to make this accommodation, but we will confirm the ability to do so before collecting the fee. Please note that any schedule change the day of the event may result in competing out of division or in a time best designated for the overall event.*

### Changes & Schedule Policies

*All corrections or changes must be submitted by the deadlines or the organization will be subject to an Administrative Change Fee as noted below. There will be **ABSOLUTELY NO CHANGES** made 24 Hours Prior to the event day!!!*

#### CHANGE FEE / DEADLINES

- **ALL Regional Events (Week of event)**
  - Monday (after 10:00am) through Wednesday – \$50.00 fee per team
  - Thursday - Friday – \$100.00 fee per team added
- **National Events**
  - Friday (week prior after 10:00am) - Monday – \$100.00 fee added per team
  - Tuesday - Friday (week of, after 10:00am)– \$200.00 fee per team added

### Unpaid Balances

*Programs with money due will not be added to the performance schedule. An additional \$50.00 LATE Fee will be added to your final invoice, for any FINAL schedule releases by the Tuesday prior to the event date (midnight) if you still have a balance due on your invoice.*

### Proof of Age

*If a dispute regarding a participant's age arises, the coach/director **must** provide an official document that legally verifies and certifies the correct name and age of the team member in question. Acceptable forms of certified identification include, but not limited to a birth certificate, passport, school-issued photo identification card, USASF ID card or a valid, state-issued driver's license. If the dispute is found to be accurate, the team may be disqualified from competition. Cheer Champs will use the official USASF Event Roster for Date of Birth verification for All-Star teams.*

### Age Challenges

*Coaches are required to bring documentation of ages (see above "Proof of Age" for list) for every participant. Coaches ONLY of a competing team within the same division may challenge the eligibility of another team to an Epic Brand Manager. The challenging coach must provide actual proof of ineligibility. Saying "she is too tall to be a Youth 8 years and under" or "she looks too old to be in our division" is not proof. If sufficient evidence warrants at that point, Cheer Champs will require the challenged team to provide proof of eligibility. Cheer Champs will use the official USASF Event Roster for Date of Birth verification for All-Star teams.*

*An administrative fee of \$200 (cash only) will be charged to the challenging coach for this challenge (payable at the time of the challenge which will be refunded if the challenge is determined to be valid). If a challenge is deemed to be valid, the challenged team may be disqualified at the Cheer Champs' discretion. Challenges may ONLY be made the day of the event, no later than 1 hour prior to that division's award ceremony!*

# 2017-2018 Cheer Champs Elite General Guidelines

\*It is the responsibility of the directors and/or coaches to adhere to all rules and guidelines of Cheer Champs. Please distribute a copy to all directors, coaches, and choreographers

## Music / Time Limits

Timing begins with the first movement, cheer, or note of music, whichever comes first. Any organized entrances, chants, spell-outs, tumbling, etc. will automatically start the clock. Teams will be assessed a penalty if the routine exceeds two minutes and thirty seconds

- **Cheer Teams** – 2:30 minutes (exception All-Star Prep maximum of 2:00 minutes) – may consist of all music or any combination of cheer and music.

## Music

Music may be on a USB Stick, iPod or MP3 Player. Cheer Champs will not be responsible if your USB Stick, iPod or MP3 Player cannot be read by the sound equipment. Please label all USBs, iPod and MP3 Players, clearly with your team's name. When your team is called 'on deck', a coach or adult affiliated with your organization must report to the DJ Booth. This representative is responsible for starting, pausing, and stopping your music and must be instructed to remain at the DJ Booth, throughout your team's entire performance. Tapes and CD's will not be able to be played by our DJ's equipment.

## Music Guidelines

The use of music and other elements of the recording in your cheer and dance routine, as well as the right to perform your routine to that recording, must be properly licensed. You are responsible to and must obtain those licenses at your sole cost and expense, and by registering your team to participate in a competition, you represent and warrant that you have properly obtained and will continue to maintain all of such licenses through at least the end of the season. You agree to provide written confirmation and copies of all required licenses to Cheer Champs Elite upon request. Such licenses shall include the rights to perform the music publicly, to synchronize the music with your team's performance for recording and transmission, and the right to make necessary copies of the music for use by the team in the competition. The license should also include an indemnification provision that promises to protect any third party for your use of the music at a competition. Failure to obtain the appropriate licenses is likely to result in a violation of U.S. copyright law, which will subject you to significant penalties and fines. Please refer to Cheer Champs Music Guidelines and procedures regarding the use of recorded music and other sound elements at its events. You are responsible to review this Agreement from time to time, and agree to be bound by any amendments to this Agreement upon reasonable notice to you, including, but not limited to, those relating to the use of recorded music and other sound elements at the events.

## Routine Start

- **Cheer Teams** – Prior to the start of your routine, participants must be positioned inside the performance area boundary and must have one foot, hand, or body part on the floor. (Exception: Flyer may have their feet positioned in their base(s) hands as long as the base(s) hands are resting on the performance surface). Please remember that hair is not a body part!
- **Tiny and Special Need Teams ONLY** – Coaches may assist in placing the participants into their first formation in a timely fashion, but then must exit the mat immediately. Those coaches may remain seated in the front of the mat to help visually guide the routine. (NOTE: Excessive motions, words, jumping up and down, etc. that could be distracting to the judges in any way will NOT be permitted).

## Out of Bounds

- **Cheer Teams:** There is no penalty for cheer participants stepping off the mat. Any element (i.e. jump, tumbling, basket toss, or pyramid and partner stunts) performed off the competition mat is NOT permitted. All elements/tumbling passes must begin and end within bounds. Landing of tumbling passes or dismounts from stunts off the performance surface is also illegal and will be subject to a penalty.

## General Routine Requirements

- Formal entrances are allowed. Teams should move on and off the performance area as quickly as possible. Timing will begin with the first organized word, movement, or note of music by the team after it is officially announced and has taken the floor. Timing will end with the last organized word, movement, or note of music by the team. See above for time limits for specific routines. Routines must follow the Safety Guidelines.

# 2017-2018 Cheer Champs Elite General Guidelines

\* It is the responsibility of the directors and/or coaches to adhere to all rules and guidelines of Cheer Champs. Please distribute a copy to all directors, coaches, and choreographers

## Performance Area

Cheer Champs, will provide a 54'x 42' (9 strips) spring floor on the main performance floor. A 54'x 42' (9 strip) foam mat, a 12'x 60' spring tumble track, a 12' x 42' stretch mat will be provided for the warm-up area unless otherwise noted. (Depending on the floor plan of the venue, these dimensions may vary slightly.)

## Performance & Warm Up

Information Each squad/team will have a scheduled warm-up time. We suggest that you arrive at least one hour prior to your practice time & check in at the registration table. Proceed to the practice area 15 minutes prior to your scheduled practice time.

Warm up and competition times will be posted on the website and you will get a copy via e-mail.

## Routine Interruption

Cheer Champs sound technicians, and/or event staff will not be responsible for any labeling mistakes or poorly recorded music and will assume no responsibility for the quality of the recording or its compatibility with the venue's equipment. However if your routine is interrupted by our equipment failure, the failure of your music source or from Cheer Champs staff you will have the following options:

- Your team must perform their routine full-out, by using your own player or your back up copy of your music. The team must perform the routine again in its entirety, but judging will resume from the point at which the injury/interruption occurred as determined by the judges. All skills must be performed full-out from the beginning of the routine. All point deductions accumulated to that point (if any) will carry over.
- Your team may use the original performance with the interruption.

## Injury Interruption

### Routine Stoppage

1. The only individuals that may stop a routine for injury are:
  - a. Competition Officials
  - b. Gym Owner/Coach from the team performing
  - c. Injured Individual
  - d. USASF Certified Safety Judge
2. An injured athlete may create a potential safety hazard because of the inability to hold, support, spot or catch. For the safety of all athletes competing, a routine may be interrupted if:
  - a. An athlete is clearly injured.
  - b. An athlete is questionably injured and does not resume their role in the routine within 5 seconds of questionable injury.
  - c. An athlete leaves the competition floor due to an injury.
3. In the event that a routine is interrupted due to injury, it will be at the Competition Officials' discretion whether or not that team will be allowed to perform again at a later time.

## Athlete Returning to Competition

1. An Injured Participant may not return to the competition floor unless the competition officials receive clearance from all of the representatives listed below:
  - a. Event Medical Personnel attending to that participant
  - b. Parent/Guardian (if present)
  - c. Head Coach/Gym Owner of competing team
2. In the event of a suspected head injury, the participant cannot return to perform without clearance from a licensed medical professional that has training related to head injuries.

## Team Performance

In the event that a team is allowed to perform again following a routine interruption, the new performance time will be at the sole discretion of the Competition Official. The team must (pending the injury's impact on the routine) perform the routine again in its entirety, but judging will resume from the point at which the injury/interruption occurred as determined by the judges. All skills must be performed full-out from the beginning of the routine. All point deductions accumulated to that point (if any) will carry over.

If a team is permitted to perform again, but fails to perform the routine in its entirety (example: throwing back tucks instead of the full twist thrown in the original performance), it is at the discretion of the Competition Official how that team's scores will be affected. If an injury occurs during warm-up, Cheer Champs will do our best to work your team back into the schedule, as close as possible to your original performance order. Furthermore, it will be up to the Cheer Champs Manager whether or not to schedule your team's performance out of sequence.

# 2017-2018 Cheer Champs Elite General Guidelines

\*It is the responsibility of the directors and/or coaches to adhere to all rules and guidelines of Cheer Champs. Please distribute a copy to all directors, coaches, and choreographers

## Late Arrivals

If a team or member is late for their assigned warm-up or performance time, the team or member will either have the option of competing on schedule (no penalty) or being moved to a new performance time with a **10-point** penalty being assessed for going out of the performance sequence.

## Scoring EXCEPTIONS

Cheer Champs reserves the right to combine, split, or delete divisions at any time leading up to each event. Cheer Champs may move your team to the appropriate division based on registration. All such changes will be indicated on the preliminary schedule that will be emailed to all directors and/or coaches.

- Competing against a score – a team must receive 75% or higher of the total possible score to be awarded 1<sup>st</sup> place.
- In the event of a tie the winner shall be determined by the team with the least amount of “Deductions”. If that does not break the tie, then the team that has the highest score in the “Performance” Category. If the tie remains because of identical totals in “Performance” Category, then the team with the least amount of total point deductions will be declared the winner.

## Scoring Errors:

- In the instance a score is added incorrectly and the error is caught at the event, the team will be properly awarded during the next awards ceremony if possible.
- In the instance a score is added incorrectly and the error is caught after the event, the score and placement will be corrected and results will be changed on the website. All teams involved will be notified and correct awards will be mailed.
- Ties: In the event of a true tie (the tie cannot be broken by taking scores to additional decimal points) Cheer Champs Elite will not break the tie and all scores, placements and awards will stand.
- **ALL SCORES AT EVENTS ARE FINAL...(NO EXCEPTIONS)**

## Glitter Policy

For the safety of all competitors, no loose glitter will be allowed on the performance floor.

## Choreography & Appearance

Because cheerleading and its audiences are generally family-oriented, all choreography should be age appropriate. Additionally, any inappropriate uniforms, choreography or music (language, sexual gestures, explicit language, profanity and sexual moves including bumping/grinding and facials using vulgar movements) should be discouraged. Any infraction of this rule may result in a significant penalty being assessed by the Safety Judge.

The following are the new USASF Guidelines for All-Star Organizations:

## Cover Up Guidelines

Athletes with non--full top uniforms must wear a t-shirt or other suitable cover up over their uniforms unless they are in the warm-up area, traveling as a group directly to or from the warm-up area, or on the performance stage.

## Appropriate Choreography

All facets of a performance/routine, including both choreography and music selection, should be appropriate and suitable for family viewing and listening.

Examples of inappropriate choreography may include, but are not limited to, movements such as hip thrusting and inappropriate touching, gestures, hand/arm movements and signals, slapping, positioning of body parts and positioning to one another. Music or words unsuitable for family listening, which includes, but is not limited, to swearwords and connotations of any type of sexual act or behavior, drugs, explicit mention of specific parts of the body torso, and/or violent acts or behavior are other examples of inappropriate choreography. Removing improper language or words from a song and replacing with sound effects or other words may still constitute ‘inappropriate.’ Music or movement in which the appropriateness is questionable or with which uncertainty exists should be assumed by the coach to be inappropriate and removed as to not put their team in an unfortunate situation.

## Makeup

Makeup should be uniform and appropriate for both the performance and the age of the athletes. Face/Eyelid Rhinestones are not allowed. False eyelashes are allowed but may not be decorated in rhinestones or additional jewelry.

## Bows

Bows should not be excessive in size (acceptable bows are generally no more than 3” in width) and shouldn’t be a distraction to the performance. Bows should be worn in a manner to minimize risk for the participants, should be adequately secured and should not fall over the forehead into the participants’ eyes or block the view of the participant while performing.

# 2017-2018 Cheer Champs Elite General Guidelines

\* It is the responsibility of the directors and/or coaches to adhere to all rules and guidelines of Cheer Champs. Please distribute a copy to all directors, coaches, and choreographers

## General Uniform Guidelines

*No risqué, sexually provocative or lingerie looking or inspired uniform or garments allowed. All uniform pieces should adequately cover an athlete and must be secured to eliminate any possible wardrobe malfunction. Appropriate undergarments must be worn.*

*In addition to the below specific guidelines, athletes must also consider that a combination of uniform pieces may also deem a uniform appropriate or inappropriate. ALL garments must properly cover the athlete and the athlete's undergarments during the routine.*

## Uniform Skirt/Shorts Guidelines

*When a skirt is worn as part of the uniform, briefs under the skirt are required. The skirt must fully cover the hips. The skirt must completely cover the briefs and must fall at least 1 inch below briefs (regular and boy cut briefs). When shorts are worn as part of the uniform, there must be a minimum of a 2" inseam.*

## Uniform Top Guidelines

*Uniform tops may not include an exposed midriff (crop top) except when worn by athletes competing in Senior divisions. Uniform tops must be secured by straps or material over at least one shoulder or around the neck (tube tops are not allowed).*

*Judges reserve the right to assess warnings and/or deductions when a team's choreography, uniform, make up, bows etc. do not meet the standards of 'appropriate' as described in this policy.*

## Sportsmanship

*Cheer Champs believes that sportsmanship is one of the most important aspects of cheerleading. We strive to keep all competitions positive, friendly, enjoyable and competitive. Unsportsmanlike behavior may include, but is not limited to: the use of any type of profanity; approaching or taunting fans, parents, cheerleaders, coaches, Cheer Champs staff members, and or judges in a manner that does not show mutual respect and cooperation. Any display of unsportsmanlike behavior by a team member, coach, or parent and teams who don't remove themselves in a timely matter from the warm-up area/floor when their assigned time has elapsed will be penalized.*

*Penalties for unsportsmanlike conduct may result in a deduction (see scoring deductions), removal of coach, or disqualification.*

*In the event you witness unsportsmanlike behavior, please report the incident to an Cheer Champs Manager, who will review the complaint and make a decision whether or not, a penalty will be imposed.*

## Spotters

*Competition routines and individual cheerleading skills continue to become more dynamic each year. Routines are consistently featuring partner stunts, basket tosses, pyramids and tumbling sequences that are nearly impossible to spot effectively without the safety spotters having intimate knowledge of each routine prior to a competition. In an effort to address this concern and to maintain our long standing record of safety, Cheer Champs has implemented the following guidelines with regards to safety spotters at all of Cheer Champs events. The following stipulations will apply:*

- *Cheer Champs will NOT provide spotters at events.*
- *Each team will be permitted to provide a maximum of (5) five Safety Spotter during their routine.*
- *Safety Spotters:*
  - *Must be 16 years or older.*
  - *Must be affiliated with the organization.*
  - *Must be attired differently than the team performing (team warm-ups preferred).*
  - *Must follow all Rules and Guidelines. Rules governing jewelry, clothing, and all other safety concerns must be adhered to by the spotters or will result in a safety deduction.*
  - *Should be trained to know proper spotting and catching technique.*
- *There should be NO verbal coaching by the Safety Spotters while their team is on the performance surface or during their routine. Any occurrence will be considered a general rule violation and will result in a deduction.*

## Legality Questions

*If you need a clarification or have a question regarding the legality of a particular skill (stunt, pyramid or tumbling), please adhere to the following guidelines:*

- a. *Send an email to [michelle@cheerchamps.com](mailto:michelle@cheerchamps.com) with a video of the stunt, pyramid and/or tumbling in question. Please submit your legality, at least, three (3) weeks, in advance of the event you are attending. Include the team name, team division, team level, coach's name, phone number(s), and email address for response.*
- b. *Make sure you show the skill in question by both the front and side views along with a written explanation. All DVDs will not be returned and will become the property of Cheer Champs.*
- c. *Cheer Champs will contact you by email with the official ruling of the stunt in question.*
- d. *Cheer Champs can only interpret the skill in question by how it is performed on the video. However, if the stunt, tumbling and/or pyramid are performed at our events differently than originally submitted on video, you will incur safety deductions*

# 2017-2018 Cheer Champs Elite General Guidelines

\* It is the responsibility of the directors and/or coaches to adhere to all rules and guidelines of Cheer Champs. Please distribute a copy to all directors, coaches, and choreographers

**Please note:** Please be aware that due to the fast pace of today's routines, it may be possible that some safety violations during a Cheer Champs event maybe missed. Therefore this does not mean that they are legal, and that your team will not be called for them during another Cheer Champs event..

## Judging Procedures

Cheer Champs judges are contracted employees. These judges are not full-time, salaried employees of Cheer Champs nor do they hold any permanent affiliations or loyalties to Cheer Champs. These cheerleading judges are vetted from a selective pool of highly qualified and knowledgeable individuals whose attendance, at our events, varies. Our judges may serve on a panel at one event, and may not serve on a panel until the end of the season. Scores will sometimes vary slightly between each event, but our judges are reminded to retain objectivity. Moreover, safety violations are infractions based on the rules and guidelines set forth by Cheer Champs, USASF, AACCA and the NFHS. We realize that organizations attend many different events like the US Finals/USASF sanctioned events throughout the season and some infractions are never "called" or given warnings. When a skill is performed illegally at a Cheer Champs event, that team will receive a deduction. Our philosophy is to deduct for these infractions because they violate safety issues and concerns laid out by Cheer Champs, USASF, the NFHS and AACCA Rules.

## Release Form

Cheer Champs requires each participant of your team or teams, and if such participant is under the age of 18 their parent or guardian, to sign a Lifetime Waiver of Liability, Indemnification, Assumption of the Risk, Authorization To Contact Emergency Medical Assistance and Publicity Release Form ("Release Form"). The Release Form is a lifetime form and only needs to be signed once, provided, if the participant is a minor, it must be resubmitted (1) upon the participant turning 18, or (2) if the guardian of the participant changes. Proper signature and delivery of the Release Form to Cheer Champs for all of your participants prior to attending any competition is a fundamental condition of Cheer Champs' agreement to allow your team to participate in any event and a requirement for your team to be permitted to participate in any event. You agree to be responsible to ensure that each and every participant or their parent or guardian, as the case may be, signs and delivers the Release Form to Cheer Champs prior to participating in any event held or produced by Cheer Champs Elite.

## Coaches Honors Agreement

Cheer Champs expect that all teams, coaches, and spectators represent themselves and their respective communities by exhibiting respect, encouragement, courtesy, kindness, humility and a positive attitude towards others. Let's make this event a pleasant experience for everyone! There will be no contact with the judges by a coach, participant or spectator. The Judges' rulings are final on all decisions concerning deductions, specific rulings & final placement. Any unruly behavior by coaches, participants or spectators will result in removal from the event and team disqualification. CCE reserves the right to deny participation in future events.

## Vendors

Cheer Champs vendors are not full-time, salaried employees of Cheer Champs nor do they hold any permanent affiliations or loyalties to Cheer Champs. Their attendance at our events varies.
